

Antenatal GP Shared Care

Supporting you through your pregnancy & beyond

Leichhardt

Medical & Dental Centre

A ForHealth Practice

Introducing Dr Eveliina Vinchenzo, Dr Jessica Murphy and Dr Kavita Krishnan

Dr Vinchenzo, Dr Murphy and Dr Kavita Krishnan are Evoca GPs with a special interest in Women's Health. They are passionate about providing high quality antenatal & postnatal care.

All have undertaken additional training in antenatal care and regularly attend courses to ensure that they practice within the latest clinical guidelines for antenatal care.

Dr Eveliina Vinchenzo

MBChB, DFSRH, DRCOG, MRCGP, FRACGP

Dr Vinchenzo is a GP with a special interest in Women's Health, including fertility and antenatal care. As well as completing training in Obstetrics & Gynaecology and Paediatrics in the UK, she has attained a Diploma of the Faculty of Sexual and Reproductive Healthcare and a Diploma of the Royal College of Obstetricians & Gynaecologists. Dr Vinchenzo is passionate about providing holistic, patient centred, high quality clinical care in line with the latest guidelines. Postnatally, she also enjoys seeing children of all ages and endeavours to provide a caring and friendly environment for your child at their important milestone checks.

Dr Jessica Murphy

MBChB, MRCGP, FRACGP, DRCOG

Dr Murphy has a keen interest in Women's and Children's health. During her GP training in the UK, Dr Murphy undertook specialised placements in obstetrics and paediatrics and, in addition to her GP qualifications, gained a Diploma from the Royal College of Obstetrics and Gynaecologists. She frequently undertakes additional training to ensure that her skills and knowledge are up to date in this field and she enjoys providing personalised care to her patients.
